## COMMISSIONERS' REPORT

---

*To the Citizens of Hillsborough County:*

In accordance with the public laws of the State of New Hampshire, the Commissioners submit their annual report for the year ending December 31, 1945, together with reports of the County Treasurer, Clerk of Court, County Solicitor, Sheriff, Jailer, County Farm Superintendent, County Hospital Superintendent, County Physicians, Hospital Report, Chaplains and County Extension Service for your attention and consideration.

Public Welfare expenditures for 1945 were as follows:

Direct Relief \$140,717.52 as against \$167,332.78 a reduction of \$26,615.26.

Soldiers Aid expenditures amounted to \$4,662.05 against \$5,585.66 in 1944 a reduction of \$923.61.

Board and care of children showed a slight increase of \$545.64 due to the fact that the rate for board and care of children was increased from \$20.00 to \$25.00 per month as of November 1, 1945. Expenditures in 1944 were \$55,219.03 against \$55,764.67 in 1945.

Current expenditures for Old Age Assistance in 1944 were \$43,453.59 plus prior accounts due the State in the amount of \$7,653.48 a total of \$51,107.07 gross expenditures. Expenditures in 1945 were \$39,566.18 a reduction of \$3,887.41.

Welfare Administration increased \$172.57. Expenditures for 1944 were \$20,552.38 against \$20,727.95 this year due to wage increases.

Expenses at the County Farm amounted to \$177,176.56 as against \$149,620.67 in 1944 an increase of \$27,555.89.

The reason for this increase as follows:

Increased cost of provisions.

Extra veterinarian services due to mastitis infection through the herd which reduced the milk production. It was necessary to purchase milk for a period of four months. This situation has cleared and milk production is now normal

Hennery: Part of the horse barn is now used to house our chickens until we can build a regular hennery. Water is supplied to the hens by the automatic reservoirs. ## HILLSBOROUGH COUNTY FARM BUREAU

---

Mr. Walter Richard, Chairman  
County Commissioners  
Court House  
Manchester, New Hampshire

DEAR MR. RICHARD:

I find we have not as yet sent in our financial report for the year 1945. I hope this will not be too late to be printed in your annual report for last year.

We have not been able to buy some pieces of equipment which we need during the war which we assume will be available in due time. Also, in the 4-H Club Department we have been getting along with women agents during the war. Recently, however, we have been able to hire a young man, Mr. Karl Bamberg from Walpole, Mass., to head up the 4-H Club Work. This will cost us a lot more money than in recent years but we feel it will strengthen the work throughout the county.

Very truly yours,

E. W. PIERCE,  
*County Agricultural Agent.*

## SUPERINTENDENT'S REPORT

---

*The Honorable Board of County Commissioners:*

Herewith is submitted the annual report for the year 1945.

With partial return to normalcy many new improvements throughout the various buildings have been completed. New floors have been laid in the different buildings; new window shades hung; all new mattresses in the wards and bedrooms; new sinks put in; the former I. W. building all renovated and ready to take care of chronic cases to relieve the hospital, making a very clean and sanitary set up. The cow barn destroyed by fire has been rebuilt and enlarged; about 700 hens purchased and more than pays for itself; the jail toilets all replaced with new material, leaving all the farm in the best condition it has been for years.

The per capita cost has jumped some, on account of so much new work done and materials furnished.

We wish to thank your honorable board for your advice and guidance at all times; also the county delegation and executive committee for their cooperation; the clergy for their kindness and solace shown to inmates; the hospital staff for their cooperation at all times; and also our own help that have been very faithful.

Respectfully submitted,

ROMEO GAGNON,  
*Superintendent*

HELEN E. CULLITY,  
*Matron*

## CHAPLAIN'S REPORT

---

*To the Honorable Board of County Commissioners:*

My experience this past year as a chaplain to the Farm and Hospital has made me more conscious than ever of the privilege it is to serve in this capacity.

I find the folks looking forward to a visit, a cheering word, or perhaps just a smile. The reading of God's Word and prayer, with those in special need, has helped to quiet the nerves and bring peace to the mind and soul. This I feel has been most worthwhile.

Through the cooperation of a number of the farm personnel, we were able to bring a bit of cheer on Christmas Eve by singing carols from a sleigh about the grounds.

Sunday services have been held regularly twice each month. Attendance has not been large, but all who do attend apparently receive blessing and spiritual strength.

Permit me to take this opportunity to express my thanks for cooperation whenever sought of Superintendent Gagnon, Miss Cullity, Mrs. Kirby, Mrs. Lamy, and, in fact, the entire personnel.

Respectfully submitted,

REV. BRUCE N. GARNSEY,  
*Protestant Chaplain.*

## CHAPLAIN'S REPORT

---

*To the Honorable Board of County Commissioners:*

GENTLEMEN :

I have just about completed my fifth year as Chaplain of these fine institutions and every year, there is a marked increase in the attendance and in the reception of the sacraments.

The chapel is filled on Sunday and the results of my spiritual ministrations are gratifying, both to the congregation and to their priest.

God has evidently blessed our humble efforts as we grow in certainty that His message is received wholeheartedly by all those with good will.

In the discharge of my duties by day or by night, I was greatly helped by the wonderful cooperation of the Superintendent, Mr. Romeo Gagnon, and also by the able Secretary of the Farm, Mrs. Kirby, and by the efficient Matron, Miss Cullity.

May the sacraments, Holy Mass and the Bible bring the people closer to God so that a peace founded on justice and charity may prevail with patience and understanding on the part of everybody.

Respectfully submitted,

REV. RENE A. CONSTANT,  
*Chaplain of Hospital and Farm.*

January 11, 1945

The Hillsborough County Delegation met in Room 100, in the State House immediately following the adjournment of the Legislature session January 11, 1945, for the purpose of organizing. The Past President not being in the Legislature this year, the Clerk, E. W. Carter, called the meeting to order and acted as temporary chairman.

Rep. Wadleigh of Milford requested the roll be called to see if there was a quorum. The Clerk called the roll and revealed 81 members present. The Clerk declared a quorum.

The first order of business was appointing of a temporary clerk and the Chair appointed Mrs. Mabel Cooper of Nashua as temporary clerk. Rep. Haggerty of Nashua objected to a Republican being appointed clerk, stating he thought a Democrat should be appointed. Rep. Kimball of Manchester said he hoped there would be no wrangling over this matter and that the Delegation would start off in harmony. Rep. Spaulding of Hudson made a motion that the appointment of Mrs. Cooper by the Chair be sustained. This motion was seconded and upon vote carried.

The next order of business was to see what form of ballots would be used in the election of officers and a motion was made and carried that written ballots be used.

The Chair appointed as tellers; Rep. Wiggan of Manchester, Rep. Paquette of Nashua, and Rep. Johnson of Manchester.

The Chair called for nominations for Chairman of the Delegation and Rep. Spaulding of Hudson presented the name of Rep. Leonard G. Velishka of Nashua. The nomination was seconded. Rep. The state of ballots revealed that 79 votes were cast, necessary for choice 40, of these Rep. Velishka had 47, Rep. McGowan 31, and one blank ballot. Rep. Velishka, having the largest number of votes cast he was declared elected Chairman. A motion was made by Rep. Maynard of Manchester that the election be made unanimous for Rep. Velishka so there would be no party feelings and was carried. The Chair appointed Rep. Spaulding to escort Rep. Velishka to the chair. Rep. Valishka responded with appropriate remarks and called for the election of a clerk.

Mrs. Cooper of Nashua stated that she had served as Clerk of the Delegation for six years previous to Rep. Carter and was not a candidate at this time. She now placed the name of Rep. Carter of Merrimack and asked that any who wished to vote for her would support him.

Rep. Spaulding of Hudson made a motion that the Clerk be instructed to cast one ballot for Rep. Carter for Clerk. The motion was seconded and upon vote carried. The Clerk cast one ballot for Rep. Carter and the Chair declared him elected. The Chair appointed Mrs. Cooper to escort the Clerk to his chair.

Immediately after lunch the Chairman, Mr. Velishka called the business meeting to order. Mr. Velishka opened the meeting with some very appropriate remarks explaining the whole situation as he saw it. In regard to the co-operation in the work to be done by Executive Committee and the Commissioners, he assured the Delegation that they would receive fair play and that their pledges of faith would be carried out to the best of his ability.

Hillsborough County Delegation.

March 21, 1945

There was a meeting of the Hillsborough County Delegation held at the State House in Room 100, March 21, 1945, Chairman Velishka presiding. He stated that before taking up any other bills, that at a meeting held in this room

on February 21, on a hearing on House Bill No. 150 for lack of time we were unable to finish this hearing. He stated that at this time he would like to make this a continued hearing on this bill and asked all those in favor of the bill to speak first.

Mr. Cooper of Rochester spoke at some length, explaining the entire bill. He stated that more than one-third of the cases of juvenile delinquency of the state were in Hillsborough County. He also stated that in Manchester and this county there were between four to five hundred cases, and that out of a thousand cases more than nine-tenths of them came from broken homes. He said divorce cases were mounting very fast, quoting that in 1934 there were about 562 cases, 1940, 1000 cases, and in 1943, 1347 cases. He stated in closing that the basis of all standard is in preserving the home.

He was asked what the cost of this would be and he said he was unable to tell, but it would run from \$6,000 to \$7,000 annually and maybe more, for he felt sure after the war the cost would jump on account of increased cases.

Mr. Wadleigh asked if the Bar was in favor of such court and Mr. Cooper stated that there had been a committee of five judges appointed to study the matter. The majority of them was "Yes" and the minority "No."

Hearing on this bill closed at 12:45 P. M.

The meeting then took up House Bill No. 137. Mr. Gauthier of Manchester spoke in favor of this bill. Mr. Allard, auditor for Hillsborough county, explained the bill as he saw it and stated that in our law, it stated they were to pay the clerks \$25.00 per week, and had been for a long time. He stated that if the \$25 clause could be stricken out and leave it to the Commissioners to pay what services warranted, that it would classify the clerks in different groups. For example; if some one could take charge of an office, as office manager, that they would be worth more than that, and others doing routine office work and other things could be hired cheaper.

Mr. Boutell of Manchester asked how many hours per week these clerks worked and Mr. Allard stated that they worked from 8:30 A. M. to 5:00 P. M., usual office hours, full time job.

Mr. Kimball of Manchester asked how many clerks were now employed in the county and Mr. Allard stated he thought there were four in Manchester, four in Nashua, two at the farm, and one in Milford.

Mr. Richard, County Commissioner, then spoke in favor of this bill, stating that he wished they would give them the right to use their own good judgment, so they could pay what the job was worth and be fair to them all. Mr. Velishka asked if any of the help had left on account of more pay somewhere else. The Commissioner stated two had left. Mr. Belanger also spoke in favor of the bill.

Mr. Orlando of Mont Vernon spoke against the bill on account of increased expenses and said that he would vote against anything asking for more money from Hillsborough County. Mr. Kimball asked him if he wanted to work for less money than he did years ago, the answer was, "Yes, I'm working for less now, myself."

Mr. Boutell asked how much increase would be in salaries and Mr. Richard stated he could not tell exactly, but thought about 15 per cent.

Hearing closed on this bill.

House Bill No. 162 was taken up. Chairman Mr. Velishka explained this bill and also the amendment to it. Senator Mattison spoke in favor of the bill and stated that some of the senators were in favor of it, five or six that he could name, namely Senators Caron, Bourassa, Merrill, Cummings and possibly others.

Mr. Tirrell asked if we had not better hold this bill up, saying he thought there was another bill in the House covering this matter, but it was explained to the Delegation that the bill he spoke of was a retirement plan where employees took something out of their wages each week, so was a different set-up entirely.

Mr. Boutell spoke in favor of the bill and also in regard to Miss Moore, who had been employed at the County Hospital for thirty-five years, and hoped she would come under this Act.

Mr. Kimball said that many people had contacted him in favor of her and thought that her services should be recognized. Mr. Boutell stated one had to be sixty years old before they could qualify and thought the amount would not be too great. Mr. Richard also spoke in favor of Miss Moore.

At this time Mr. Kimball made a motion we go into Executive Session.

House Bill No. 150 was taken up to be acted upon.

Mr. Martel wanted to have the two amendments added to the bill, and as there were no objections the bill was voted upon with the amendments added to it. The first voice vote was uncertain, so the Chair called for a raising of hands, so they could be counted. There were four in favor and ten opposed, so the bill was to be reported inexpedient to the Legislature.

Bill No. 137 was taken up and Mr. Martel made a motion that it ought to pass and being seconded the vote was unanimously carried for the bill to be reported "ought to pass."

Bill No. 128. Mr. Barry made a motion that "Bill No. 182 with amendment ought to pass" and upon vote it was unanimously carried.

Mr. Boutell made a motion we now adjourn, subject to the call of the Chair.

Respectfully submitted,

EDWARD W. CARTER, *Clerk*,  
Hillsborough County Delegation.

April 18, 1945

The count disclosed that there were 48 members present and the Chair declared not a quorum present.

The Chairman asked if we could proceed with the business of the meeting in order without being challenged.

Mr. Weston made a motion that we have a rising vote. Mr. Gauthier called for a roll call but withdrew his motion. Mr. Barry of Manchester moved for a division vote but this motion was also withdrawn.

Mr. Martel of Manchester asked to be allowed to put an amendment on the bill but this motion was voted down.

Mr. Kimball of Manchester made a motion to indefinitely postpone the bill, and it was seconded by Mr. Barry of Manchester.

A discussion followed and upon vote there were 44 Yes votes and 5 No votes, so the bill was voted to be indefinitely postponed.

Mr. Belcourt of Nashua made a motion that the Delegation and Executive Board be paid \$3 per day plus 10 cents per mile when called to a special meeting at the County Farm. As there was some question about the law in regard to this, there was an amendment made to it that the Chairman see the Attorney General about it, upon vote this amendment was unanimously carried.

The Chairman then put the motion that the Delegation and Executive Committee be paid \$3 per day plus 10 cents per mile retroactive to January 1, 1945, subject to the ruling of the Attorney General and this motion was unanimously carried in the affirmative.

The Chairman made an announcement that there would be another meeting next Wednesday to take up the matter of the addition suggested by the Special Committee pertain-

ing to the addition to be made at Court House in Nashua. He stated there would be an architect present with a plan and blue prints and asked for a full attendance.

Meeting voted to adjourn at 12 o'clock.

April 25, 1945

An Executive Session of the Hillsborough County Delegation was held in Room 100 at the State House after the adjournment of the House on April 25, 1945.

The Chairman called the meeting to order and explained the purpose of the meeting was to consider the recommendation of remodeling the Court House at Nashua.

Mr. Sweeney spoke of purchasing some land, but it was decided it was not necessary to purchase more land. The County Commissioners had obtained the services of an architect to look over the building and see what could be done and make a report.

Mr. Granger, the architect, stated it would take about \$50,000.

Mr. Coriveau spoke of the present condition at the Court House stating that the Registry of Deeds have no place to store records and that alterations were very badly needed.

Mr. Boisclair of the Probate Court stated that his situation was much the same as that of the Register of Deeds.

Mr. Wadleigh said he would like to make the suggestion that the County Commissioners be authorized to make short term notes so it could be included in the next year's budget.

Mr. Granger said that he has been through the building, and that the statement made by the different departments were correct.

He then explained the blue prints as to the suggestion of enlarging the building and also to include a law library.

Mr. Barry of Wilton made the motion, seconded by Mr. Sweeney of Nashua, that the recommendation of the Special Committee to remodel the County Court House at Nashua be accepted and that the County Commissioners be authorized to borrow the money not to exceed \$50,000 and the work to begin as soon as possible.

Upon vote it was made unanimous.

Motion to adjourn.

Respectfully submitted,

EDWARD W. CARTER, *Clerk*,  
Hillsborough County Delegation.

May 7, 1945

There was a meeting of the Executive Committee of the Hillsborough County Delegation held at the County Farm, May 7, 1945. All members of the Committee were present, also the three Commissioners.

Chairman Velishka called the meeting to order and stated the purpose of the meeting was for further discussion of remodeling the Court House at Nashua.

Mr. Granger, the architect, stated that he thought we should take advantage of the price before they go any higher, as he thought they certainly would. He stated prices had jumped from 30 to 40 per cent since 1944.

Discussion followed and some changes were made to Mr. Granger by both Mr. Coriveau and Mr. Boisclair which were accepted, and he said he thought they were very constructive and they could save money by doing it if this was agreeable by the Committee.

The Committee then retired and the County Commissioners held an Executive Session to decide what they wanted to do.

They voted to adopt the suggestions and recommendations of the Committee, and it was voted unanimously by the Commissioners. Discussion followed again and Mr. Granger

stated he would go to work at once on the completion of the drawings and contact the County Office in Manchester for another meeting for approval, the Commission to write a letter to the War Commission Board to get permission to build, and also report at the next meeting to be called by the Commissioners.

Meeting adjourned.

Respectfully submitted,

EDWARD W. CARTER, *Clerk*,  
Hillsborough County Delegation.

May 15, 1945

Meeting of the Hillsborough County Delegation was held in Room 100, of the State House, May 15, at 10:30 A. M., for the purpose of considering House Bill No. 162.

The Chairman, Leonard Velishka, declared a quorum present and read an amendment to the bill.

Mr. Myhaver arose and stated that no legal action, in his opinion, could be taken, unless one day's notice in the Journal had been given.

Mr. Wiggin spoke in opposition on account of setting a prestige in our country which might establish a law of setting up an Agency for Pensions within a county. He made reference to a bill that was in the Senate for retirement system and endorsed the principles of retirement systems but not within a county and thought the present bill might be bad legislation. Mr. Myhaver arose and expressed the opinion that he agreed with Mr. Wiggin as far as pension bills where contributions were made by the recipients. Mr. Wadleigh and Mr. Terrill spoke against the bill.

Mr. Myhaver moved that we support the report of the Judiciary Committee as inexpedient to legislate. The motion was seconded by Mr. Barry of Wilton and carried.

MABEL T. COOPER,  
*Clerk, pro tem.*

There were only three firms represented. On account of it being V-J Day, the day before and the uncertainty of the mail delivery, there being other bids expected it was

voted to extend the time until 10 o'clock the next day, August 16, in fairness to every one.

Meeting closed at 12:30.

Respectfully submitted,

EDWARD W. CARTER, *Clerk*,  
Hillsborough County Delegation.

Leon Keyser Co. ....	\$61,597.00
Morgan Construction Co. ....	\$69,242.00
Davison Construction Co. ....	\$74,268.00

As all the bids were so much more than the appropriation that the Legislature had provided the Commissioners thought it wise to call a meeting of the Executive Committee and decide what to do.

The matter of bids on the repairs to the Court House at Nashua was taken up and discussion followed.

September 26, 1945

There was a meeting of the Hillsborough County Executive Committee held at the County Farm at 11 o'clock A. M. on September 26, 1945. All members of the Committee were present except Mr. McGowan, also the three County Commissioners, and Mr. Granger, the architect.

The meeting was called to order by Chairman Velishka, to consider the situation in regard to the alterations to be made at the Court House in Nashua. After a long discussion the Committee felt that it was necessary to make the repairs at the Court House, but the appropriation of \$50,000 by the Legislature was not enough to make the repairs, as all the bids from contractors exceeded this amount.

The Committee voted to call a meeting of the whole Hillsborough Delegation to consider the matter and see if they wished to make further appropriation or to take any other action thereto.

The Clerk was instructed to notify all members of the Delegation to be present at a meeting to be held at the Court House in Manchester October 2, 1945 at 8 P. M.

Respectfully submitted,

October 2, 1945

There was a meeting of the Hillsborough County Delegation held at the Court House in Manchester at 8 o'clock on Tuesday evening, October 2, 1945.

The meeting was called to order by Chairman Velishka, who stated the purpose of the meeting was to consider the proposed alterations to be made on the Court House in Nashua. The roll call revealed 74 members and two County Commissioners present. The chairman explained at some length the purpose, and read all five previous bids, and then called on Mr. Granger, the Architect, to explain the situation in regard to the big increase in the prices over which we were led to believe. Many questions were asked and discussion followed Mr. Wadleigh, Mr. Myhaver, and Mr. Paquette and others, stating their views on the matter.

Chairman Velishka spoke about the need of these improvements. Mr. Spaulding asked if there was any money in the appropriation that was not ear-marked for any purpose that could be used. The County Commissioners stated there was not any extra money. There was some discussion in regard to the use of some film machine to be used to reduce space and it was suggested the Commissioners investigate this matter. Mrs. Cooper asked if the material for said alterations could be obtained now and Mr. Granger stated that it could.

Mr. Sweeney, motion that the County Delegation give to the County Commissioners the power, the extra amount of money to finish the alterations on the Court House at Nashua not to exceed \$20,000. This motion was seconded by Mr. LeClerc. A standing vote was taken and revealed 48 members in favor of said motion and 20 members opposed.
